

*The ISCS 2010 Program Committee presents*

*ISCS STUDENT AWARD*  
*to*

*Ryota Ishii*

for the paper

"Impact of breakdown of the quasi-cubic approximation in GaN  
on the optical polarization properties of nonpolar and semipolar  
GaN/AlGaN quantum wells"

The 37th International Symposium on Compound Semiconductors  
Takamatsu, Kagawa, Japan  
May 31 - June 4, 2010

*Conference Chair, ISCS 2010*

A handwritten signature in black ink, appearing to read "Yoshiro Hirayama".

*Yoshiro Hirayama  
Tohoku University*

*Conference Program Chair, ISCS 2010*

A handwritten signature in black ink, appearing to read "Shizuo Fujita".

*Shizuo Fujita  
Kyoto University*

*June 3, 2010*
